Neuro-Cognitive-Behavioral Coaching with AttenGo

Details of this event:

April 20
8 p.m. Eastern

Bridge: (919) 424-5871
PIN: 144 809#

- Presentation and demonstration of AttenGo – how a Neuro-cognitive brain training web-based program for improving Neuro-cognitive abilities, can contribute to making positive changes for people with ADHD.
- Adding an efficient, user-friendly and inexpensive tool to the training methods and expanding the toolbox that we, as ADHD coaches, provide to our clients.
- Presentation and demonstration of guidelines to a method which was developed WITH the use of the AttenGo program. The method focuses on making significant Neuro-cognitive and behavioral changes which are fundamental and sustainable and can be measured and compared to the initial starting point.
